THINGS YOU NEED TO KNOW:

- **Planning Center is a MUST**
 - This is our form of communication.
 - If you know that you are going to be out for vacations, please block those dates now. If you need help Wendy Moffitt or me can help you with that.
- **Please know that if right now you are not comfortable with singing or playing on Sundays, that we understand.**
 - Communicate that to me via Planning Center.
 - Block that time off on Planning Center.
 - You are welcome to come back when you feel that you are ready.
- **Dress Code**
 - **Women-** the appropriate length for dresses/skirts is to the knee. If you wear slacks/jeans they need to be in a presentable condition (no holes, or rips). Please note that if you wear leggings that you will need to have a top on that covers your trunk. Blouses and tops should also not draw attention to the physical shape of a woman. This includes spaghetti strap and shirts with a low neck. The idea here is “modest is hottest”.
 - **Men-** slacks/pants/jeans in a presentable condition (no holes, or rips) dress shirts, polo shirts. We do ask that men not wear hats in the sanctuary.
 - **Everyone- No shorts for Sunday Worship on the platform.**
