Sunset Avenue  
Children's Ministries

Spring Edition

Our current unit of *Scripture Files* will continue through the end of April! We will take a small break for 2 very special Easter services! One will be on Easter Sunday and then the following Sunday, as well!

The goal is that by the end of April your child (ren) can recite all 66 books of the bible. Please keep practicing! We have the Bible Cards available each week to make it easier for you! They are great!

## Easter Events & Plans for Sunset Kids!

An Easter Adventure designed for families will be available on Sunday, March 1st! This parent resource is a colorful, action-packed kit that provides parents with fun, easy-to-do activities that create meaningful connections with each other and memorable encounters with Jesus. The kit comes with 24 cards that has a mission to complete and a question to discuss. These easy, simple activities were created with busy families in mind, but there is enough depth in the activities to help families stay focused on Jesus in the weeks leading up to Easter! Directions will be inside each envelope!

### PREPPY POSSUM: MARCH 21st at 10:00 AM!

We have a painting session reserved at Preppy Possum for a beautiful Easter cross! There are 20 seats available and the cost will be \$25.00 per child. Parents MUST sign up their child (ren) for this event and can pay at Preppy Possum that morning! Sign up sheets in the CMC!

### EASTER EGG HUNT AT FAIRVIEW FARM ON APRIL 4th!

The Ward family has graciously invited us out to the farm for our annual Easter Egg Hunt! Not only will we be able to have our egg hunts; but we will be able to see the farm animals, go on hay rides, play games and enjoy a hotdog lunch! Please mark this date on your calendar and reach out to friends to invite them! The address is 3053 Fairview Farm Road, Asheboro, NC 27205.

*A Touch of Heaven Butterflies!* will be with us on April 19th for Children's Church as our special 2nd Easter service. Ms. Brady will bring her butterflies and a wonderful message as we continue to celebrate the Easter season! More information to come! Mark your calendars!
