Hello Church Family,

Have you ever said or heard someone say, "I just want to do the will of God." "If I knew what HIS will was I would do it."

Well, I want to remind you that you can do the will of God this thanksgiving season!

1 Thessalians 5:15 *"In every thing give thanks: for this is the will of God in Christ Jesus concerning you."* [KJV]

Not for everything but in everything....

In this time of moving science metrics...give thanks.

In this season of essential vs. non-essential...give thanks.

In this season of changing medical advice....give thanks.

If your family is doing great or if it is falling apart...give thanks.

If your job is the best you have ever had or if it is a nightmare...give thanks.

If you are enjoying life or if life has you frustrated...give thanks

If you are locked down or free as a bird...give thanks.

If you are in perfect health or if your health is failing...give thanks.

Give thanks...that's God's will in Christ Jesus. Give thanks that your God has not forsaken you. Give thanks that your God is still supplying your need. Give thanks that your God is working all things out according to HIS incredible plan.

As you gather with your family, Wanda & I hope you have a great Thanksgiving Weekend! You can do God's will around your table...just give HIM thanks!

This Sunday we will gather, leaning on the great mercies of our God! We will enter into HIS gates with Thanksgiving! Be wise and keep the family safe by doing what you need to do in this season.

Again, we remind you...the doors of the Church are open...come if you can. If you can't, join us online. You are still family! If you are not feeling well...take time to make sure you are o.k. Protect the family!

Blessings,
